AGENDA REPORT

City of Santa Clara, California

Agenda Item #

7C-1

Date:

September 10, 2008

To:

City Manager for Council Information

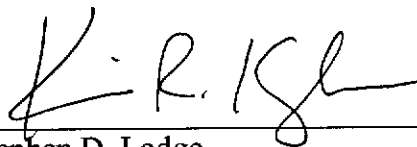

From:

Chief of Police

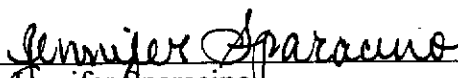

Subject:

Request from Taxicab Drivers Association for Fare Increases and Fuel Surcharge

Taxicab Drivers Association members who have permits to operate in the City of Santa Clara have requested an increase in the fees that they charge as well an adoption of a new fuel surcharge. Similar fee increases and the fuel surcharge were recently adopted by the City of San Jose. According to the City Code, the City Council is authorized to increase the fees charged in Santa Clara to make them consistent with other cities. The fuel surcharge is not addressed in the City Code; and, therefore, a resolution must be passed by the Council to adopt the surcharge. The City Attorney's Office is currently drafting such a resolution, and it (along with the request for a fee increase) will be available for Council review at the September 30, 2008, Council meeting.
